

WE HELP ADULTS FULFILL THEIR GOD-GIVEN PURPOSE THROUGH EDUCATION AND BIBLE-BASED COUNSEL.

SPRING UPDATE

Seventeen students started Yesukan's eleventh year with mixed aspirations. Their goals are to learn, read, understand, and speak English better; some desire to become U.S. citizens and others are working on improving their computer skills.

We are affirming our students, who this year range in ages 19 to 86, that YES-they-can, chase their God given dreams and embrace the future He has prepared for them.

God is Good!!

WORD OF WISDOM

This year, our devotional theme is Purpose. We are thankful for the grace and mercy of our Heavenly Father. He has given us the liberty to grow and develop, or fail and fall, then re-start and renew, as we navigate our lives' paths. For some, the purpose has been the same since childhood, not so for most others.

From before our conception, God knew us (Je 1:5). He knows us now. He perfects and completes what He starts (Ps 138:8). In receiving Jesus as our Lord and Savior, and especially during this Easter season, we accept His will and purpose for our lives... lives that will be BLESSED, for HIS GLORY.

I can do all things through Christ who strengthens me. Phil. 4:13 NKJV

STUDENT SPOTLIGHT

As a carpenter, Walter M. is busy building frameworks, cabinets, finishing trim work and all else related to remodeling or building a new home. He shared that he "speaks more accurately and communicates better with his supervisor now," since he started at Yesukan last July 2025. He is dedicated to improving his language skills and the results of his commitment to learning are very evident.

VOLUNTEER OPPORTUNITIES

Could you or someone you know become our next volunteer? Here are some current areas of service: Pastors or lay ministers to lead a devotion; English, GED prep, Guitar teachers; Childcare attendants; Admin/Social media helper; Grant searchers and writers; Special events planners; Social media managers; On call Drivers to transport students; Community minded/Fundraisers; Board members, especially those with a financial background.

SPECIAL MENTION

We also are delighted to introduce Level 1 instructor, Vladislav Shchukin, to you. He started teaching at Yesukan in March 2025. His students describe him as being patient, supportive and not rushed in explaining new concepts to them. Vlad shares that because “Each day at Yesukan is an investment in the fulfillment of the God-given purpose of our students,” his experience with us has been “very satisfying.” He believes, “Learning a language is like building a bridge” to new opportunities and relationships. We are thankful for him, as he is making an impact here changing his students’ outlook.

FINANCIAL SUPPORT

We appreciate your financial support during these difficult times. Your donations enable us to fulfill our purpose and mission to those God sends to us. Thank you in advance for your checks or online contributions via the Yesukan website.

PRAYER REQUESTS

It is comforting to know that you are praying along with us. The following is a list of our current prayer requests: New vehicles for couple of students due to accidents or mechanical failures; health of family members due to surgery; marriage, separation & family issues; health of volunteers & family members; our future teachers, volunteers, board members, and own location. Thank you.
